

D.I.Y. Olympic Medals

No Olympics, no problem! You can host the Olympic Games in your own backyard with Little Tikes Camp Play@Home™. Create your own backyard Olympic Games and give your kids D.I.Y. Olympic Medals as they play. Here's everything you need to make your own D.I.Y. Olympic Medals:

Supplies:

- Some white paper
- Crayons, markers or colored pencils
- Stickers
- Several 2-foot-long pieces of ribbon
- A circular item to trace
- Safety scissors
- A hole punch

Instructions:

Have your kids trace the circular item onto several pieces of white paper. Using safety scissors, cut out the circles. Then, have them use the hole punch to punch out one hole near the edge. String the ribbon through the hole and then knot the two ends together.

Let your kids go crazy decorating their medals! They can color, draw and add stickers for different medals and events. Come up with fun awards like: Best Jumper, Fastest Runner, Goofiest Dance Moves or Most Stylish to encourage them to try different things while they play.

Share your creations with us on social media (@OfficialLittleTikes on IG and @LittleTikes everywhere else! #CampPlayatHome
